

## Helping Organizations Across the State of New Hampshire

“The New Hampshire Small Business Development Center’s Compliance Assistance Program is a bonafide helping hand to industry. Imagine, a service that supports your company while you try to make your way through the maze of legislative requirements. We extend our gratitude to the NH SBDC Compliance Assistance Program.”

Mark Sites, President, Circuit Connect Inc., Nashua, NH

“FHC has been working with NHPPP for many years to provide education, technical assistance, and practical strategies to New Hampshire hospitals, helping to reduce the volume and toxicity of their waste. FHC and NHDES have presented workshops for hospitals relating to mercury and PVC reduction, waste minimization and environmentally preferable purchasing. FHC also partners with DES to provide a forum for hospitals to advance their environmental improvement efforts by coordinating quarterly meetings of the NH Hospitals for A Healthy Environment.”

“All 355 employees of Wausau papers in Groveton are very proud to have done their part to significantly improve the environment in the State of New Hampshire and more importantly in the pristine North Country where we live.”

Dave Atkinson, Vice President, Wausau Papers, Groveton, NH  
*Governor’s Award Winner 2003*

“Even in a state with lean government, there are many assistance providers to help businesses succeed.”

Michelle Hamm, Monadnock Paper, Bennington, NH

“Our experience with the Safety & Health Consultation Program was very positive. The air testing and recommendations provided were beneficial to our employees and our business. We at R&J Tool appreciate this free service which helped us improve the safety and health of our workplace.”

Bob Laflamme, President, R&J Tool, Inc., Laconia, NH
